Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 9, 2026, the Board of Directors (the "Board") of Mammoth Energy Services, Inc. (the "Company") appointed Bernard "Bernie" Lancaster, the Company's Chief Operating Officer, to serve as President of the Company, effective immediately. In connection with his appointment as President, Mr. Lancaster ceased serving as Chief Operating Officer of the Company.

Mr. Lancaster, age 39, has served as the Company's Chief Operating Officer since July 2025, following his tenure as Vice President of Operations. Mr. Lancaster has held operational and leadership positions across the Company's businesses for more than a decade.

Mr. Lancaster is the son of Phil Lancaster, a member of the Board. Other than this relationship, there are no family relationships between Mr. Lancaster and any director or executive officer of the Company. There are no arrangements or understandings between Mr. Lancaster and any other person pursuant to which he was selected to serve as President of the Company, and there are no transactions involving Mr. Lancaster that would be required to be reported pursuant to Item 404(a) of Regulation S-K.

Mr. Lancaster's appointment as President does not result in any change to his compensation or other compensatory arrangements with the Company.

Item 7.01 Regulation FD Disclosure.

On November 13, 2026, the Company issued a press release announcing Mr. Lancaster's appointment as President. A copy of the press release is furnished as Exhibit 99.1 to this Current Report on Form 8-K and is incorporated herein by reference.

The information in this Item 7.01 shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, and will not be incorporated by reference into any registration statement filed under the Securities Act of 1933, as amended, unless specifically identified as being incorporated by reference in the registration statement.

Item 9.01 Financial Statements and Exhibits.

News Release

Mammoth Announces Promotion of Bernard Lancaster to President

OKLAHOMA CITY – November 13, 2026 – Mammoth Energy Services, Inc. ("Mammoth" or the "Company") (NASDAQ: TUSK) today announced the promotion of Bernard "Bernie" Lancaster from Chief Operating Officer to President, effective November 9, 2026.

The promotion recognizes Mr. Lancaster's leadership and contributions to Mammoth's ongoing transformation, including improved operating performance across its businesses and the continued expansion of its aviation leasing platform.

"Mammoth has made substantial progress this year, including improved operating performance, profitability and margins, as well as the continued expansion of our aviation leasing platform," said Arthur Amron, Chairman of Mammoth's Board of Directors. "Bernie has played an important role in executing our strategy, and his promotion reflects the Board's confidence in his ability to build on that momentum and lead Mammoth through its next phase of growth."

Mr. Lancaster said, "I am grateful to the Board of Directors for the confidence they have placed in me, and I am excited to lead Mammoth as we continue to execute our strategy and grow our businesses. The results we have reported this year reflect the hard work of our teams, and I look forward to building on that progress."

Mr. Lancaster has served as Mammoth's Chief Operating Officer since July 2025, following his tenure as Vice President of Operations. During more than a decade with the Company, he has held leadership positions across Mammoth's operating businesses and has played an important role in improving operating performance and executing the Company's strategic initiatives.

About Mammoth Energy Services, Inc.

Mammoth Energy Services, Inc. (NASDAQ: TUSK) is a growth-oriented company centered on an expanding aviation leasing platform. Through its rental services segment, Mammoth leases and sells aviation assets and rents heavy equipment used in construction and energy operations. The Company also provides fiber optic services to utility customers; natural sand proppant for hydraulic fracturing; workforce accommodations for projects in remote locations; and directional drilling services.
